1. The first group of people who are not in the labor force are those who are not in the labor force because they are not in the labor force.

TURNER
J520 JAMES
KENDRICK

1997年12月15日

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

[illegible]

1. The first step is to identify the problem. This involves understanding the current situation and what needs to be changed.
